## ANNUAL JURIED EXHIBITION 2012

**WHEN:** Month of January 2012

**WHERE:** Wilson Room, Kingston Public Library, 130 Johnson Street, Kingston

Its time to start choosing your photo submissions for the Kingston Photographic Club's Annual Juried Exhibition. This public presentation gives us an opportunity to showcase some of our finest work.

Each paid member may submit a minimum of 3 and a maximum of 4 prints as specified by the Selection Submission Guidelines. The deadline for this submission will be the Mon. Nov. 7 club meeting.

A panel of three Kingston area photographers and/or artists will look at all submissions and choose approximately 80 images for display. This is not a competition per se. These impartial jurors will identify your best work and every effort will be made to include at least one image from each entrant in the show (i.e. the work must meet exhibition standards). A minimum of one and a maximum of 2 images will be exhibited for each member who enters.

Submissions will be returned at the Mon. Nov. 21 club meeting. Images selected can then be prepared for exhibit as specified by the Exhibition Submission Guidelines.

These exhibition prints will then be delivered to the Wilson Room on Tues. Jan. 3 from 5-9 pm. The works will be installed on Wed. Jan. 4 and there will be an Opening Reception that night from 7-9 pm. Mark Jan. 4 on your calendars now and invite your friends and family to attend this special evening, which will include a presentation by an invited guest. The exhibition will remain on display throughout the month of January and will be dismantled for pickup from the Wilson Room on Tues. Jan. 31 from 5-9 pm.

A price list will be available in the Wilson Room for those who wish to have their work on sale.

Please contact Bruce Millen (Exhibition Coordinator) at 613.634.8910 if you have questions regarding the show.

### **A. SELECTION SUBMISSION GUIDELINES:**

These submissions are for judging purposes and need only be of sufficient size and quality for the judges to assess their merit. The images selected for the show can then be sized, printed and framed in a manner suitable for public display.

- Images previously submitted for inclusion in this exhibition are not eligible.
- Images must be in print form (colour or black & white), minimum size 8" x 10", maximum size 320 square inches (equivalent to a 16"x 20" print).

- Prints should be secured to cardstock backing (eg. matboard or cardboard – ideally white or off-white and larger than the print) for ease in handling by the judges.

To adhere the print to its cardstock:

- a) Place a small tab of double-sided tape (Wallacks: Scotch 3M Scrapbooking Tape, \$9.80/roll) behind each top corner of the print, align the print on its cardstock and press it home. (Warning: later removal of the print from its cardstock may be difficult and could damage the print).
- or
- b) Use masking tape (safe and removable in the short term) or an archival tape (Wallacks: Photo Document Mending Tape, \$7.51/roll). Either apply a loop of tape to the back of the photo at each top corner and press the photo home, or prepare T hinges by applying a length of tape to the back of the photo near each top corner so the tape extends beyond the print edge, then, aligning the print on its cardstock, use second pieces of tape to secure the tape extensions to the cardstock.
- Overmatting and protective clear covering are optional. But if you do wish to protect the photo surface, overlay it with clear acetate (Wallacks: \$2.05/ft), enclose it in a cellophane sleeve (Wallacks: pkgs of 25 in standard sizes) or wrap it in clear plastic (eg. from a dry-cleaning bag).
  - Member's name and image title must be placed on the back of the card stock in its top right hand corner.
  - Images should not be framed.
  - A minimum of 3 and a maximum of 4 prints may be submitted per paid member.
  - Include a completed Submission Entry Form (attached and also available as a download from the KPC website) with your prints. If your works are for sale, enter the amounts.
